

NOTICE of WINTER PARKING BAN
EFFECTIVE – NOVEMBER 15, 2016 TO APRIL 15, 2017

Just a reminder, that the winter parking ban is in effect in the Town of Bristol from November 15, 2016 to April 15, 2017. It is particularly important that the Central Square area be clear of vehicles during snow removal operations. To that end, during snow events and overnight snow removal operations, the Town will make the lower parking lot of the Minot-Sleeper Library and the municipal parking lot at the TD Bank building available for temporary parking of vehicles that would otherwise be parked in Central Square. Both areas are well lit and provide safe sidewalk access to all parts of the Square. Please be certain to remove your vehicles from these overnight emergency parking areas before 8:00 AM on the following morning so that those lots may be cleared of snow. Also, please note, those areas are only for overnight parking during snow removal. They are not to be used otherwise for overnight parking.

We thank you in advance for your cooperation.
