

BRISTOL CEMETERY TRUSTEE MINUTES
May 1, 2012

In Attendance: Ron Preble, Archie Auger Tom Keegan absent

Location: Town Office Building, Lake Street

The meeting was called to order at 9:25 am. The purpose of the meeting was to organize the Board of Trustees and to prepare plans for the year of 2012. The Trustees elected Archie Auger as Chair and Tom Keegan as Secretary.

Maintenance plans were discussed for the coming season. The "Grafton County Volunteers" have been contacted by the Town Administrator and it appears they will be available to do the "usual" clean up for the spring. The "Legion" will provide and place flags for the veterans.

It is hoped we will be able to do some work on the stone wall at the Worthen cemetery. In addition we will find out the available funds from the Trusts to expend on the repair of one stone (replaced on its base, and pieces put back together and cleaned) as an example of what can be done to repair the broken stones.

The broken gate on the Sleeper Cemetery has been repaired and will be ready to remount soon.

The meeting adjourned at 10:10 am

Archie Auger
