

**Specific Procedures**

- 1) All Contractors (including individuals that are residents of Bristol) are required to obtain a Transfer Station permit from the Town Office as well as provide a copy of their Land Use Permit where the C&D material is generated to the attendant prior to disposing of C&D material. All C&D deposited at the Transfer Station must have been generated in the Town of Bristol.
- 2) All residents and contractors that want to dump C&D material must go the Transfer Station C&D area and have the vehicle that they are using measured for volume of the pick-up bed (the volume of the wheel wells will not be deducted from the quantity calculation).
  - (i) Compact pick up truck
  - (ii) Full sized pick up truck
  - (iii) Large truck (includes a truck with sideboards or trucks 1-ton or larger - the actual volume will be measured and charged accordingly regardless if full).
- 3) All doors must be removed from refrigerators prior to delivery to the C&D Transfer Station.
- 4) All roofing shingles and construction demolition debris if not paid for by the truck load shall be paid for by estimated volume (cubic yard 3 feet by 3 feet by 3 feet) as determined by the Transfer Station Attendant.
- 5) No person shall dispose of any waste at the facilities without a permit.
