Bristol Transfer Station

Specific Procedures

1) All residents and property owners are required to obtain a Transfer Station permit from the Town Office. No person shall dispose of any waste at the Transfer Station without a permit. All Solid Waste including Construction & Demolition Debris (C&D) must be from the Town of Bristol.

2) All residents and property owners that want to dispose of C&D debris must go to the Transfer Station C&D area and have the vehicle that they are using measured for volume (the volume of the wheel wells will not be deducted from the quantity calculation). Pricing is based upon the following vehicle categories and the Transfer Station Attendant's decision is FINAL.

(i) Passenger Cars, Small Pickup Trucks, Small Trailers less than ½ CY

(ii) Passenger Cars, Small Pickup Trucks, Small Trailers less than 2 CY per day

(iii) Large truck (includes a truck with sideboards or trucks 1-ton or larger - the actual volume will be measured and charged accordingly regardless if full).

3) All doors must be removed from refrigerators prior to delivery to the designated C&D area.

4) All roofing shingles and Construction & Demolition debris if not paid for by the truck load shall be paid for by estimated volume (cubic yard 3 feet by 3 feet by 3 feet) as determined by the Transfer Station Attendant.
