Concerts

Les reported that there is a group of High School students that will be traveling to Ireland & Scotland and they are fundraising for the trip. They have expressed interest in doing concessions at the concert. It was agreed that we would offer them available dates. The following concert coverage was discussed:

Date	Band	Committee Member	Concession
6/27	Uncle Steve	Barb & Lucille	High School
7/11	Shana Stack Band	Barb took for Les	TTCC
7/18	Lunch at the Dump	Lucille	Bristol Com. Services
7/25	Maple Leaf Seven	Gylene	
8/1	Caravan Band		
8/15	We Are Santa Croce	Gylene	DARE
8/22	The Bel Airs		

We need a new check list for those doing the food for the concerts. Also need a new checklist printed for the Supervisor. The back of the Shackett building needs to be painted. The highway department will get the bollard in place by June 27th.

Old Home Day

Les has not contacted The Field Band yet to see if they can play but all other bands are all set. We need a Softball Tournament Director as Dan MacLean will be on vacation. Kris Bean said he would be willing to do this. The TTCC will put his contact info on facebook and our website. They can contact him at kbean@townofbristolnh.org to enter. Kris said that there will be two officers from the PD to help with the dinner that night.

No update on the Health Fair at this time. Chief Yannuzzi volunteered to be the Bingo Caller for the day.

Other

A chest freezer was donated and the Highway Department delivered it.
