

Community Events Committee – Old Home Day Events Sub-committee  
Meeting Minutes  
March 5, 2014

Committee Members in Attendance: Hilda Bruno, Christina Goodwin, Lucille Keegan

The meeting was called to order at 1:00pm.

We convened as a sub-committee to determine participation and the steps to move forward for establishing Old Home Day events. Other members that had signed up were Steve Favorite, Nicole Goudrea, and Barbara Greenwood, but they were not able to attend.

What activities would we like to see at Old Home Day? How do we get started? Create events that really focus on kid's activities, and the old home day theme. Consider sponsors for events as well.

Ideas discussed:

- Parade – Old car show
- Wagon rides or hay rides
- Loose hay – needle in a haystack with colored toothpicks
- Chocolate chip cookie bake off
- Cooking contest – pickles/cakes/pies/beans
- Bean lunch
- Town vehicles – touch a truck type event
- Silly kids games – tug of war, donut eating
- Granite state zoo
- Science center
- Fish and Game – locked antlers
- Boy Scouts/Girl Scouts/Kids Clubs
- PTO's or PTA's
- Instant pictures or dress up pictures
- Demonstrations – wood working, spinning wool, etc.
- Indian/Tribal demonstrations

Things to look into:

- Christina will look into the Science Center, Fish and Game and Granite Zoo ideas
- Hilda and Lucille will look into the old car show, wagon rides and ideas for a bean lunch
- Christina will look into Indian/Tribal demonstrations
- Christina will see if there is a way through the Census to determine who the oldest living resident is in Bristol
- Why did the Town stop putting signs along the wires across Lake Street near the Fire Department?
- Christina will check with Juanita Gilman about old tractors

- Can signs be put out at the Musgrove rock location?
- Is there someone willing to do instant pictures?
- Christina will contact the Middle School PTO chair to inquire about their participation in Old Home Day events.

**Having no other business to conduct, the Old Home Day Events Sub-Committee meeting adjourned at 2:00pm. The next scheduled meeting for this sub-committee is April 2, 2014 at 1:00pm at the Town Office Meeting room.**
