Bristol Community Events Committee
June 18, 2014
Business Meeting

Present: Barbara Greenwood, Nicole Goudreau, Lucille Keegan, Chief Steve Yannuzzi, Lieutenant Bean, Marjie Gorman, Garylyn Manganiello, Hilda Bruno, Les Dion

Les opened the meeting and asked everyone to check in with any updates they had.

Garlyn: She has spoken with Nancy Lincoln who wrote the book 'Newfound Pathways' and she would do a book signing on the common and Old Home Day if we would like.

The 5K Firecracker Road Race is on. Kendra has more details.

Triathlon: Garlyn said that she has spoken with Steph Murray(?) and she does not want to do a June date. She does want a summer date. They were looking at the Saturday of Old Home Day but knew it wouldn't work so they are thinking maybe that Sunday instead. This would have a much smaller impact on fire and police. This may be a tough date for Wellington though. Kris suggested she approach someone at DRED. Steve said that the boat ramp has always been the issue for traffic. This committee would be in favor of this for January of 2015.

Run Your Buns Off: Garlyn reports that the committee chose 'The Day Away Program' and 'Newfound Pathways' as the charities this race will fund this year.

Old Home Day: Hilda reports that she needs to speak with Marla Wahl regarding the pony rides for that day. Bristol Elementary School and Newfound Memorial Middle School will be open for tours that day. Hilda needs to get some of the old staff to be there. Let her know if you have any ideas. Steve suggests putting a blanket ad in the paper inviting everyone.

Kris reports that there will be a Bike Rodeo at the NMMS Basketball Court on Old Home Day.

Lucille reports that the Granite State Zoo is booked for that day at 12:15. Also, the Making It In Bristol event is on August 2nd and they would like to use the bathrooms at Kelley.

Kris reports that they are having a meeting with the downtown businesses at 3 pm today about the 4th of July activities. Some businesses were upset about the flow of traffic on Memorial Day so they want to get input prior to the events. He will check to see if there is someone at Freudenberg NOK that would like to be on the committee.

We need to contact NMMS to see if they could be our rain location for Old Home Day.
