Re: Solid Waste Survey

Dear Art:

I enjoyed meeting you at the recent NHDES Solid Waste Conference in Waterville.

I've enclosed a copy of the survey we had performed by the University of New Hampshire Survey Center you requested. The work was done in advance of starting our curbside recycling program and prior to much discussion regarding alternative methods of financing solid waste.

Feel free to give me a call if you have any questions.

Very truly yours,

Earle M. Chesley, P.E.

University of New Hampshire

December, 2004

**The University of New Hampshire**

**Survey Center**

The UNH Survey Center is an independent, non-partisan academic survey research organization and a division of the UNH Institute for Policy and Social Science Research.

The Survey Center conducts telephone, mail, e-mail, Internet, and self-administered surveys, as well as focus groups and other qualitative research for university researchers, government agencies, public non-profit organizations, private businesses, and media clients.

Our senior staff have more than 40 years experience in designing and conducting custom research on a broad range of political, social, health care, and other public policy issues.
