

PISTOL PERMITS

Concealed Pistol/Revolver Permits

Concealed Pistol Permits are issued through the Police Department in the community in which you reside. The cost of obtaining a Concealed Pistol Permit is \$10.00 and is valid for up to four years. RSA 159:6 License to Carry contains the law governing Pistol Permits. Applicants must provide proof of residency upon applying for the permit and must be at least 18 years of age. Applicants must have a criminal record free of felony convictions or Domestic Violence orders which would prevent them from obtaining a permit. The Bristol Police Department will obtain a criminal record check on all applicants.

Bristol residents may obtain an application for a Concealed Pistol/Revolver Permit at the Bristol Police Department. Completed forms may be dropped off or mailed to the Bristol Police Department during normal business hours, Monday – Friday 8:00AM-4:00PM. Approval takes approximately 10 days. Approved permits must be picked up in person.
