

SUSTAINABILITY COMMITTEE MEETING

Feb. 13, 2024

Attendees: Nancy, Herb, Brenda, Jan

Meeting called to order at Minot Sleeper Library at 6:40 PM

Minutes of January meeting were approved.

Agenda Items:

- 1) "The Buzz" Snippets article schedule: March - Carbon Forests/Jan.
April - Earth Day/Nancy; May - Sustainable Gardening/Jan or PFAS; June -Dish washing/
Brenda; July - Plastics Free July/Nancy; others TBD
- 2) Plastics Working Group zoom discussion on March 26 with Cynthia Walters time TBD by
Brenda
- 3) PFAS testing report by Herb - he spoke with Jeff at Bristol Water/Sewer Department. Bristol
has been testing the water supply for several years and has not found any PFAS. Good news.
- 4) TTCC building renovations - Jan to meet with Les Dion.
- 5) Presentation was given by Paul Bemis from Bristol Energy Committee on the warrant article
for Community Power. We will send out a notice to our email list.
- 6) Re-usable utensils rather than plastic - Jan and Nancy to prepare a report on benefits and
cost for our next meeting to present to community organizations in preparation for summer
activities.

Announcements

Plymouth State is hosting an exhibit of Artists using recycled materials to create art. It is
currently on display at the White Mountain Museum

No meeting will be held in March or April

Next meeting May 14 at. Minot Sleeper Library at 6:30 pm
